

I found K-Love about six months ago and I absolutely love this station. I listen to it in the car and at home. I have no worries about my children hearing this music or the DJ's because I know that nothing obscene will be coming out of their mouths and it enforces my beliefs concerning GOD. It is a very positive and uplifting radio station and I would miss it greatly if it were to be taken off the air. I do not listen to the secular stations at all.
